

Your SEO Audit Report

Website: <https://seartify.com/>
Report ID: 5
Data from: 2025-11-10 to 2025-12-08

Summary

Your site appeared in front of **134** people in Google search results this month - that means Google recognizes your presence and you're building visibility.

Out of those impressions, **49** visitors clicked through, giving you a CTR of **36.57%**. That's excellent! Your titles and descriptions are resonating with searchers.

On average, your pages appeared in position **2.9**, which means you're ranking on the first page of results. Excellent work! Keep maintaining quality to stay at the top.

Your site is starting to gain visibility. Continue building quality content and improving technical SEO.

Visibility is growing. Each impression is a step toward discovery.

Health Score

Metric	Current Value	28-Day Change	Notes
Total Impressions	134	+14.3%	Visibility increasing steadily
Total Clicks	49	+100.0%	Traffic growth is positive
Click-Through Rate	36.57%	+32.14pp	Strong CTR performance
Average Position	2.9	+0.3	Minor ranking fluctuation
Indexed Pages	0	N/A	1 unindexed page(s)

Your Next Steps

- * Submit sitemap to Google Search Console
- * Write one blog post per week for the next month
- * Fix indexing issues for 1 page(s)
- * Add internal links between your existing pages
- * Generate another report after 14 days of these changes being made to track progress

Focus on content quality and consistency. Each piece of content builds your authority.
