

Your SEO Audit Report

Website: **example.com**
Report ID: test-audit-123
Data from: October 19, 2025 to November 18, 2025

Summary

Your site appeared in front of **191** people in Google search results this month — that means Google recognizes your presence and you're building visibility.

Out of those impressions, **9** visitors clicked through, giving you a CTR of **4.71%**. That's a good early signal that your content is relevant, but there's still room to grow engagement through sharper titles and descriptions.

On average, your pages appeared in position **8.1**, which means you're hovering on the first page of results. Getting to the top 3 will take consistency — adding fresh content, improving internal links, and keeping your meta details clear.

Your site is beginning to appear in search results. Keep building content and optimizing for targeted keywords.

Visibility is growing. Each impression is a step toward discovery.
